# About us

We are delighted to introduce ourselves as a professional steel and glass organization, offering project-related services in the industrial field since 1996. RagheedGulf Enterprises is a fully-fledged, dedicated entity, providing a comprehensive suite of production and services.

Our commitment is to deliver prompt, **high-quality services**, continually seeking challenges to better serve our clients. By exploring business opportunities with esteemed organizations, we

foster a cooperative and innovative environment, guided by our clients throughout our engagements. This approach helps us establish lasting relationships for future projects.

## Our Mission

At RagheedGulf, our mission is to provide exceptional quality and value through cutting-edge solutions and superior service. We strive to be a trusted partner in our clients' success, upholding the **highest standards** of integrity, reliability, and continuous improvement in all our endeavors. We **aim for perfection** in all our projects, continuously embracing and adapting to innovative ideas.

## Our Vision

We aspire to lead the market by consistently **exceeding expectations** in craftsmanship, innovation, and customer satisfaction. Our commitment is to set new standards in our industry through advanced technology, fostering teamwork and creativity, and promoting sustainable practices that enrich the lives of our stakeholders.

Innovative Creations  
for Modern Living

# What we do

We excel in crafting exceptional glass and steel structures for both decorative and structural applications. Here are some examples of what we do:

- ✔ Designing and constructing elegant retractable and non-retractable **skylights** for Malls, Hotels, Villas and Mosques along with domes of all types.
- ✔ Building automatic and manual **cleaning ladders** for skylights, domes and glass structures.
- ✔ Manufacturing bespoke **furniture** and equipment for hotels, hospitals and malls.
- ✔ Fabricating all kinds of **stainless-steel custom orders** such as steel railings, wall decors along with machine and furniture parts.
- ✔ Setting up and installing switchable **smart tinted glass** systems on glass surfaces like shower boxes office windows and partitions.
- ✔ Servicing and **maintaining structures** in Malls, Hotels, and Villas, ensuring they are safe and well preserved.

**Transforming Spaces with  
Elegance and Durability**

# Our Legacy

Our legacy is built on the foundation of excellence, innovation, and unwavering commitment to our clients. Since our establishment in 1996, we have been dedicated to creating marvelous glass and metal structures that blend functionality with aesthetic elegance. Our journey has been characterized by:

- ✔ **Innovative Technologies:** Leveraging cutting-edge technologies and pioneering techniques to meet and exceed the evolving needs of market.
- ✔ **Quality Craftsmanship:** Upholding the highest standards in every project, ensuring precision, durability, and exceptional quality.
- ✔ **Enduring Client Relationships:** Building strong, long-lasting partnerships based on trust, reliability, and outstanding service.
- ✔ **Sustainability:** Committing to environmentally responsible practices and sustainable materials that benefit our community and the planet.
- ✔ **Continuous Improvement:** Constantly striving for growth and adaptation in a dynamic industry, staying ahead through perpetual learning and improvement, while keeping memory of previous experiences.

The numerous successful projects we've completed is a direct reflection of our legacy. We take pride in our past achievements and look forward to a future filled with continued innovation, growth, and perseverance.

Creating Iconic Structures  
with Precision

# Our Projects

We are honored to have collaborated with many reputable clients and leading companies. Our work spans large-scale projects, including vast skylights for malls and intricate metal structures for hospitals and hotels. Each project reflects our commitment to achieving *absolute perfection*.
